It's great to be back at school with our students, ready for third term. Our staff participated in a professional learning day on Monday, where we learnt about SmartBoards, learning communities, learning environments and looking forward for Yolla District High. It was fantastic being part of such a committed and enthusiastic team, and we are excited by what our future could look like.

This term we would like to welcome our new students: Zachary, Lauchlan and Oliver, and Shania. We are glad you are here and look forward to getting to know you better.

We are still reviewing the draft proposals around enrolment areas and out of area enrolment protocols. Our School Association will be meeting tonight and we are really keen to hear from you. Please phone any of our School Association members with any thoughts, ideas or suggestions. We'd love to hear from you.

A reminder also about the opportunity to come and discuss your child's learning program next week with Parent/Teacher conversations. We are really keen to work with you to support our learners to be the best they can be. It is very powerful when parents and schools work together, and communicate a unified message to our children that we value learning and education. Please phone the school to make a time to meet and chat with your child’s teacher about their report and future learning. For students grade 5 and above, we welcome them to join these conversations.

This term provides our students with many opportunities, including a Hobart university trip for some of our grade 10s and a Cradle Coast Uni experience for our grade 7/8s, the grade 10 Melbourne trip, a visit from Dr Karl for our secondary students and the first of the ‘Transition to Hellyer’ experiences. Keep an eye on the calendar of events in this newsletter. We are really lucky to have Dr Karl visit us at school. He is such an inspirational speaker and so informative about Science and our world. A big thank you to Cradle Coast Uni for organizing this visit for us. Please see attached flier advertising a free family session in Burnie.

We are also having a "Wheelies Day" for our Prep to grade 8 students on Friday 2nd August. This is especially exciting as it has eventuated from an idea from 2 grade 6 boys, who followed that idea through to make it happen. It shows how student voice can be heard and acted upon. Our student leaders and SEC will assist with the day, and staff will provide additional duty at recess and lunch while the event takes place. There is more information included in this newsletter.

Looking forward to seeing you at our Parent Teacher conversations. Please come and say hi to myself and of course your child's teacher. We value your input and time.

**Duty of Care**

We wish to remind parents that our staff do not have Duty of Care for students who are on our school grounds before 8.30am and after 3.30pm (or until the last bus leaves).

If it is necessary that your child be at school outside of these hours, they will not be supervised by staff.

**FURNITURE APPEAL**

Do you have an old but serviceable couch, armchair(s), bean bags or large cushions that you would like to donate to our school for our ‘Reading Room’? If so please contact the office.

**Parent/Teacher Conversations**

Just a reminder that parent/teacher conversations will be held from Monday 29 July to Thursday 1 August. We really hope to see as many parents and students, along to share successes and set goals for the remainder of the year. We strongly encourage students from grade 5 up to attend with their families. Please phone the school or return the slip which was with your child’s report to make an appointment.

**LAUNCHING INTO LEARNING**

**PROGRAMS FOR BABIES TO 4 YEAR OLDS AND THEIR FAMILIES**

**Friday’s 11am to 1pm**

We are planning a trip to a pool and the Alpaca Farm early in term 3. Our Pre-Kinder sessions will be starting on Wednesday, 4 September at 1.30pm.

For more information on upcoming events please email carol.j.boyd@education.tas.gov.au

Lessons held Wednesday & Friday afternoons
$96.00 per term (8 lessons)

All our programs use fully qualified AustSwim instructors.
For more information or to enrol call us on 6431 4708
Cattle Handling News

Hope you have all had a good break, despite the cold weather. Most of the team have been busy working with their heifers during the holidays.

We will be conducting our first muster on Sunday, 11 August, where we will be accessing the expertise of some successful breeders and handlers. Along with revision and basic training. Our first show being Burnie is only a couple of months away.

Thanks to all those who sold and purchased lollies through our fundraiser. We've raised $387.00. This will assist our team to participate in the forthcoming shows. We appreciate your support and sincerely apologise for the delay in delivery. Unfortunately the order hadn't been shipped when requested. Hope you enjoy them more due to the delay (no sugar fuelled kids during the holidays!).

We'd also like to take this opportunity to thank some of our sponsors. Without these generous companies, we would struggle to be able to offer our handlers as many opportunities, so we are extremely grateful to the following sponsors to date. Our major sponsor is Brad and Jo Nolan - Somerset Pharmacy, along with Serv-Ag, Impact Fertilizers, Cadbury Schweppes, Auslec and AWM Electrical Wholesalers.

We must also thank our stud owners who have generously loaned the team their valuable heifers. So thanks to Ned Bligh - Stowport Beef Shorthorns; Des Farrell - Mount Roan Poll Shorthorns; Nathan and Amanda Chilcott - Riverview Ridge Jerseys; Mike ad Helen Smith - Jason Park Guernseys; Brian and Julie Margetts - Burnlea Ayreshires; Warren Dudfield - Pleasant Banks Dairy Shorthorns; Gardam family - Cloverbanks Jerseys and Guernseys; Penny Williams & Brett McGlone - Mallee Downs Jerseys; Mark and Kelly Beamish - Markel Murray Greys; Chloe Walker - Silverdust Murray Greys.

The team intend to conduct a raffle, with some great prizes, which have kindly been donated by some of our major sponsors. Further details later.

We appreciate all the support both financially and advice. Hope our families had an enjoyable break, because now its time to start getting organised and start working. Catch up on your sleep, there won’t be much once the shows commence. HAPPY SHOWING ALL! ~ Sonja Dudfield

Wheelies Day and Out of Uniform
Friday 2 August 2013

Prep to grade eight are invited to bring a set of wheels. Scooter, rip stick, bike or skateboard to use at recess and lunch.

NO HELMET - NO RIDE

Proceeds go to raising money for an electronic wheelchair for Somerset boy Toby Neilson

My child/ren ................................................................. is/are intending to participate in the Wheelies Day on Friday 2 August.
He/she will bring (please tick) □ Scooter □ Skateboard □ Bike (not motorized)
I understand and support the rule of ‘No helmet, No ride’.
Parents will need to organise delivery and pick up of bikes, etc.
